

WCE Team Aaryans FMAE'21 M-BAJA Winner (Prize Rs. 20,000/-)

WCE Team Aaryans, from Mechanical Engineering Department has participated in FMAE'21 M-BAJA conducted by Fraternity of Mechanical and Automotive Engineers (FMAE) at Hyderabad during 1st to 5th October 2021. Students from Team Aaryans have designed and manufactured the all-terrain vehicle (ATV) at lab Learning Factory, WCE Sangli. This vehicle is found versatile, safe, comfortable, durable and high-performance for off-road conditions.

Major Achievements:

1. **1st Rank in endurance test:** Total 39 laps in 175 km for 4hrs duration.
2. **1st Rank in Fuel Economy:** The vehicle consumed lowest amount of fuel in the endurance test.
3. **2nd Rank in Acceleration Event:** The vehicle covered distance of 100 m in 5.6 sec.

Photographs shows the all-terrain vehicle (ATV) with team members and trophies at Hyderabad
