ABOUT CSE DEPARTMENT

The CSE department of WCE has been established in the year 1986 with the introduction of Undergraduate Programme in Computer Science and Engineering. The UG and PG programmes of the department enjoy academic autonomy and they are affiliated to Shivaji University Kolhapur. PhD programme under AICTE's QIP in the CSE department has boosted the research culture further. The department also provides research guidance to PhD students of Shivaji University. Many researchers have completed their PhD research work at the department.

ABOUT INSTITUTE

Walchand College of Engineering (WCE), Sangli established in 1947, is one of the oldest engineering colleges, imparting quality technical education in the state of Maharashtra. Today the college has more than 2,800 students in six UG and 10 PG programmes under its autonomous status. WCE, aims to produce capable graduate engineers with an aptitude for research and leadership.
