- **Research Projects/ Research Interest Areas:**

- Research Interest Areas: - Water treatment, Wastewater Treatment, Solid Waste Management

- **Administrative/ Co-curricular Responsibilities:**

- PG Co-ordinator for M. Tech. Civil-Environmental Engineering

- **Bio sketch:**

Mr. Gopal Bhosale is an Assistant Professor in the Department of Civil Engineering and has been working at Walchand College of Engineering, Sangli, since July 2018. He holds a Bachelor's degree in Civil Engineering (B.E.) and a Master's degree (M. Tech.) in Environmental Engineering. Currently, he is pursuing his Ph.D. from Shivaji University, Kolhapur, with a focus on advanced environmental technologies.

He has over 11 years of teaching experience and 1 year of industrial exposure. His primary research interests lie in water and wastewater treatment and solid waste management. He has actively contributed to the academic community with eight conference papers, earning two Best Paper Awards, and has published three research papers in reputed journals.
