- **Bio sketch:**

Veena Vipinkumar Nair is a dedicated academic and structural engineering professional with over 14 years of teaching experience. She is currently pursuing a Ph.D. in Civil Engineering under Visvesvaraya Technological University (VTU), Belagavi. She holds a Master of Engineering (M.E.) degree in Civil Structures (2015) and a Bachelor of Engineering (B.E.) in Civil Engineering (2010), both from P.V.P.I.T. Budhgaon, affiliated with Shivaji University, Kolhapur. From July 2010 to August 2024, she served as an Assistant Professor in the Department of Civil Engineering at Padmabhooshan Vasantraodada Patil Institute of Technology, Sangli. During her tenure, she taught a range of subjects at both undergraduate and postgraduate levels, including Theory of Elasticity and Plasticity, Cold-formed Steel Structures, Advanced Concrete Design, Earthquake Engineering, and Structural Theory. Prof. Nair is skilled in civil engineering software such as AutoCAD, STAAD Pro, and SAP 2000. She has guided over 15 academic projects (5 PG and 10 UG) and published research in the field of structural engineering.
